October 5th 2021: Demisexuality

Demisexuality is a sexual orientation where people only experience sexual attraction to folks that they have close emotional connections with. In other words, demisexual people only experience sexual attraction after an emotional bond has formed. This emotional bond isn't necessarily love or romance. For some demisexual people, it may be friendship — including platonic friendship. They might not necessarily love the person — whether romantically or platonically — at all. Our orientation describes who we're attracted to. Demisexual people experience attraction to a select group of people. You m
