RISK is a four letter word in business, that epitomizes the word Business. If you can't stand the heat stay out of the kitchen, it was once said so eloquently. Today, I have asked my Co-Host Natasha Friedman, who joins me for Politically "Centric" Shows to interview me personally. I have never done this before, especially on LIVE Radio, so this will be a first for me and of course for YOU in learning more about who the Host is on this show. I am very much looking forward this and i hope you will join me and Natasha to sit with me as I share my life with you.
