"Intellectual growth should commence at birth and only cease at death" Albert Einstein Host Andrea Smith and Express Yourself! welcome a new reporter today. Sidney Suh, who was originally a guest on our show. Sidney's segment is called Breaking Boundaries. In today's segment, she introduces us to women, past and present, who have been influential in spreading awareness about dyslexia. From the 1990s to 2021, women have continuously made advancements in public policy and scientific research when it comes to learning disabilities. While society still has a long way to go, it's important to loo

Andrew M Nehring

Andrew M. Nehring is the author of David Massie as well as The Corrupted Light Chronicles. Growing up, he was always a very imaginative child who would tend to get lost in these worlds he created for himself. That passion for creativity never stopped. The concept of David Massie came to him after years of being an avid fan of science-fiction. This world that he created draws from both old and new sci-fi concepts. Andrew has recently graduated from Northeastern Illinois University in the beautiful city of Chicago. Now that he has graduated, he is focused on expanding the worlds of David Massie and also The Corrupted Light Chronicles. andrewmnehring.com
