Is your love life getting you down because you are finding it harder and harder to meet compatible partners? Have you noticed how technology, especially dating apps, has changed the playing field with respect to dating, love and relationships? Join us with America's Relationship Expert, Dr Wendy Walsh, as she puts her spin on dating, gender dynamics and models of love. If you want to know more about mothers, milfs and wives and why women have sex, then listen right to the end because the answers are found in the science of love!
