November 2nd 2021: Can This Marriage Be Saved?

Every marriage has its ups and downs. But if you're reading this, chances are yours has been down for a while now. Maybe you've been dealing with an intensely stressful situation like a job change, a new baby, or having to care for an aging parent. Or maybe you're arguing over money, or someone cheated, or your sex life has gone kaput. There are lots of different scenarios that have the potential to send a relationship into a downward spiral. When a marriage starts to falter, one thing's for sure: Each partner starts putting their personal needs over the needs of their relationship. That can
