You might remember the classic show "Bewitched" where an average guy is married to a witch and at the twitch of her nose things change and excitement ensues. Well, I'm not that kind of Witch but I definitely do consider myself in tune with the magic of nature and my intuition. And my darling husband Marcin is not your average guy, he is absolutely tapped into his creative magic. Together we have explored rituals for healing, connection, manifestation, and sensuality. In this episode we share our adventures discovering other realms and even discuss the role drugs (or medicinal herb medicine a

**Featured Guest**

**Marcin Bela**

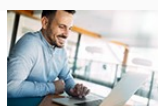

Dr. Marcin Bela is a Polish-American singer, pianist and composer. Together with Christi Anne co-founded "Ezra Entertainment Education", a music school and artist development agency serving professionals and enthusiasts of all ages and experience levels. He is the author of "The Universe of Music - discovering music as science and science as music" - an online program integrating music education with science and humanities. His music has been featured in film, television, and theatre. Marcin currently resides in Nashville, TN, where he performs at "Music City's" premier venues, such as Exit In, Cannery Ballroom, and Bluebird Cafe.
