**November 18th 2021: To be or Not To Be
Vaccinated: Is it Really Safe?**

There is a huge amount of misinformation and disinformation about the various vaccines. Our previous shows have discussed the differences assessing the possible benefits and risks. Its been almost a year now and the results both positive and negative have been coming in regularly. Television and newspapers have been pressing everyone to get vaccinated claiming "it's safe". Well is it? Information taken directly from the CDC's VAERS among with reports from top doctors and scientists evaluating it's safety will be discussed so if you have been holding back you will be able to choose finally whet
