Our guest on December 1st at 1PM EST will be Belinda Farrell, energy healer, and author of the book *Find Your Friggin' Joy*. She'll be talking about the benefits of the ancient Hawaiian healing processes, Huna and Ho'oponopono. The Huna techniques in her book can help you to free yourself from unproductive emotional scripts and negative self-talk. That, combined with the forgiveness process of Ho'oponopono will help you step into the frequencies of your Higher Self. Connecting to these higher frequencies can bring you back into balance, and fulfill your life's purpose.

#### Belinda Farrell

Belinda trained with Anthony Robbins (author of *Unlimited Power*) and has completed 18 fire walks. When Belinda was forty-eight, she collapsed with herniated discs and spinal nerve damage. Threatened with paralysis by her medical doctors if she didn't have surgery, Belinda instead chose to apply the ancient Hawaiian healing practices she had been learning the previous three years, which are covered in this book. Her back completely healed, including childhood scoliosis. For fifteen years she has been sharing these healing practices with others, offering Reconnective Healing and Huna classes and taking clients to Hawaii to teach Huna and swim with wild spinner dolphins.
