Doug Noland, Dr. Quinton Hennigh and Anthony Santelli return. In his May 21 Credit Weekly Bulletin, Doug wrote: "Rather than subprime mortgages as the system's weak link, today it's "subprime" corporate Credit. History suggests today's festering issues in Credit derivatives and "structured finance" will prove woefully worse than anyone today appreciates. And there is little policymakers can do to remedy the situation. The cycle has changed. The amount of stimulus necessary to one more time resuscitate Bubble Dynamics would risk hyperinflation." Doug will provide information in support of his c

Featured Guests

Anthony Santelli II

Anthony Santelli II, Ph.D., 56, is the Chief Financial Officer and Board Member of Blue Biofuels, Inc. Before becoming the CFO, he was the Chief Operating Officer. His financial expertise along with his experience restructuring and building companies is the reason he was selected to be a board member and senior executive. Dr. Santelli served as a money manager for 20 years as the Founder and Chief Executive Officer of AES Capital, a hybrid venture capital-hedge fund management company. Dr. Santelli is an entrepreneur who has started, helped finance, or turnaround, various private companies and micro-cap publicly traded companies concentrating in the mining, energy and alternative energy fie
