Channel

There has been nothing more elusive in our human history than peace, although it is the most desired element in human life. Cycles of war and violence seem to repeat with each generation. How can we meet this challenge with vision and hope? It's time for champions of peace—at personal and collective levels—to share their hearts, and share their visions. In this VoiceAmerica Special -- "HUMANITY'S MOMENT OF CHOICE: CHOOSING PEACE"-- from the Evolutionary Leaders Circle, peace champions from activist, arts and media communities, and the policy-making world, gather to confront this challenge!
