June 21st 2022: Why PhD Economists Don't Really Understand Inflation

Jeff Deist, Michael Oliver & Patrick Highsmith return. Suddenly, with exploding consumer prices stripping the fruits of labor away from average Americans and thus threatening the political status quo, TV talking heads have set aside concerns about COVID and the Ukraine to focus on what Americans really care most about, namely their ability to put food on the table and gas in their cars. But actually, what is inflation? Is it simply rising prices or is there more to it? What is its root cause? Most Americans don't realize that long before the CPI rose rapidly beyond the Fed's target of 2% to ov
