June 28th 2022: How Are Those Sanctions Working Out, Mr. Biden?

Robert Moriarty and Chen Lin Return. Michael Spreadborough, the Executive Co-Chairman of Novo Resources visits for the first time. On March 1, as Russia began invading the Ukraine, David Stockman said on this show, "Sanctioning Russia and taking away their ability to use the SWIFT system would be crazy as hell because it will hurt Americans as much as it hurts Russia!" While President Biden blames Putin for inflation, truth be told, thanks to his energy policies and COVID related supply chain shortages, inflation was rising rapidly even before the Ukraine war. But it wasn't Russia's invasion o

Chen Lin

Chen Lin had been a doctoral candidate in aeronautical engineering at Princeton. However, Chen found his investment strategies were so profitable that he put his Ph.D. on the back burner to devote full time to private investing and writing a newsletter titled What is Chen Buying, What is Chen Selling. Chen's track record has been phenomenal. In one account we tracked in which he used no leverage, he was able to grow 5,411 starting in 2002 to over 2.2 million by the end of 2012. You can visit his website at <http://chenpicks.com>
