Tuesday at 11 AM Pacific
June 28th 2022: A Cure for Toxic Leadership

Raj Subrameyer knows about toxic leadership first-hand: HE was a toxic leader. Fortunately, Raj learned before it was too late that the toxins affect the leaders just as much as their teams. Anxiety, depression, anger, sleeplessness, illness...they all mount up. In this episode, Raj talks about his former leadership style, and his subsequent journey to a better work life. In the process, he reveals lessons on personal branding. It's not unrelated -- the more comfortable you are with yourself, the more comfortable your team becomes in working with you.
