#### **Lance Schuttler**

Having graduated from the University of Iowa with a degree in Health Science and as the CEO of Ascent Nutrition, Lance brings deep experience within the health and wellness fields, as well as a well rounded perspective of the nutraceutical industry. Lance has worked in the three major areas of this industry and saw many inefficiencies and short cuts that were and still are being taken by many in this field. His passion for research, brain health, neurogenesis, nutrition and biohacking led him to begin Ascent Nutrition, which sources rare and hard to find nutrients that can actually be felt by those using the products.
