**May 30th 2006: Can We Save The Planet? A Call To Action
For Each Of Us!**

Dr. Pat is joined by Gary Hirshberg, President and CE-YO of Stonyfield Farm, the leading manufacturer of all-natural and organic yogurt in the US. Dr. Pat and Gary heat up the airways, not the planet to shine the light on a global crisis that is right in our faces. Global warming is finally all over the news. Just look at the headlines from USA Today and Time Magazine to know we are in a global crisis. We're at what we call "The Rosa Parks Moment" when it comes to climate change. We should all be very worried, but that's not enough. We need to act.
