

The DrStem Show Archives Available

Given enough information people will be more aware of how to better parent their teens, and manage their lives better. Promoting positive self-images, success tips and inner strength for teens will allow them to gain personal respect, and success in school, work and the community. Everyone wants to be heard and understood. Understanding and embracing our differences makes us unique and united. Guest Experts from all walks of life are essential to connect with and learn from. Our show will have a commitment to adding value to lives through continuous improvement that ensures adequate inspiratio
