Breaking Banks Fintech Thursday at 12 Noon Pacific

Many industries have been revolutionized by technology in the last decade. Books, Music, TV, Communications, and now it's happening to our money. Fintech, or financial technologies, is the new disruption that is sweeping across the globe and dominating the tech world conversations on everything from ApplePay to new credit algorithms, and upending the access to capital. Fintech is going to give millions of people who have never had access to banking, saving, and capital, a bank account that they carry in their hands.

Tune into Breaking Banks with Brett King, for a look at how tec
