### Leading Conversations Friday at 10 AM Pacific

**June 11th 2007: If you Missed the Live Show Don't Miss the Special Encore Presentation of: Common Wealth: Leading the Future**

Cheryl Esposito welcomes Peter Barnes, co-founder of Working Assets, successful journalist, thought leader, and author of *Capitalism 3.0: A Guide To Reclaiming The Commons*. Capitalism needs an upgrade. Our current economic "operating system" fits the 18th century more than the 21st century. "When capitalism started, nature was abundant and capital was scarce; it thus made sense to reward capital above all else. Today we're awash in capital and literally running out of nature." Peter points the way to a future in which we can retain capitalism's virtues while mitigating its vices. All of us -en
