

Impact Africa Archives Available

Impact Africa will tell the real African story of opportunities, development and resilience through guest interviews, case studies and audience participation. The main goal of the show is to inform listeners about important events and to inspire our audience to participate in development initiatives. You will have opportunities to contribute to the show through telephone calls, emails and social media participation. Impact Africa will create a community of Africans and friends of Africa whose actions will ultimately provide solutions to the continent's greatest challenges.
