July 02nd 2007: How To Protect Yourself Against a Financial Meltdown

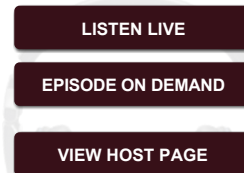

Peter Schiff, president of Euro-Pacific Capital, explains all of the huge financial risks currently in our economic system in his new book *Crash Proof: How to Profit from the Coming Economic Collapse* and tells you how to protect yourself against the coming financial meltdown. Schiff explains how America and the world's financial markets have added such a huge amount of debt, and how the defaults that are starting to show up in the subprime market are about to spread quickly to other markets. Schiff offers specific suggestions of safe places to put your money to ride out the coming storm in thi
