

Sticking To the Point! Natural Medicine Radio Archives Available

Our show's focus will be to educate you on the merits and the practice of Chinese Medicine within the healthcare framework of the US and around the world. We'll help clarify the vague notions held by many by explaining in practical, down-to-earth way. Our guests will include Chinese Medicine practitioners to clarify and respond to the media's coverage of Western Medicine's often mistaken perspective of acupuncture and Chinese herbal medicine. We plan to have a public dialogue between Chinese Medicine practitioners and Western Physicians as to how we can collaborate to help give our patients a
