Bring more light into your day,
there's a message for everyone!

Angel Healing Party Archives Available

On Angel Healing Party, we will hold a space for the Angels to relay messages of hope, healing, empowerment and love to you. Through our time together I will call in the Angels and channel whatever messages may come through during each hour together. The Angels can help speed up the healing process and we will spotlight tools and techniques that you can use in your own life to head into a life of freedom. Feel the love of your Angels as they bring you a fresh perspective, and opportunities for growth and healing!

We are all holding onto emotions and suffering that no longer serve us.
