Dr. Carole's Couch
Tuesday at 1 PM Pacific
September 11th 2007: So you think terrorism is dead? Think Again!

Your mind and body remember 9/11 as if it were yesterday even though today is the 6th Anniversary. Dr. Carole implores you to break through your denial so that you can start to heal and strengthen yourself to face whatever may lie ahead in the war on terror. She is the author of Coping with Terrorism: Dreams Interrupted, published in the UK, and the upcoming American edition due out this year.
