September 27th 2007: Dr. Stephen Chanock

Dr. Stephen Chanock received his M.D. from Harvard Medical School and completed training in pediatrics, pediatric infectious diseases, and pediatric hematology/oncology at Boston Children's Hospital and the Dana-Farber Cancer Institute. Afterwards, he joined the National Cancer Institute, where he is a senior investigator. He returned to the Pediatric Oncology Branch, where his brother had been treated for a fatal rare type of pediatric cancer. His brother was diagnosed with cancer within days of his acceptance to medical school and died before the end of his first year influencing his
