Innovating Leadership, Co-Creating Our Future
Tuesday at 11 AM Pacific

The pace of change in the world is increasing exponentially and shows no signs of slowing down. Leadership is evolving and requires more and more innovative leaders to keep up. Many leaders update what they lead but not how they think about and act as leaders. They become outdated. This matters because Leadership creates strategic advantage.

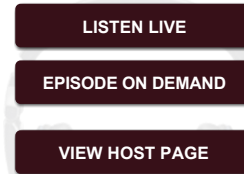

This show features interviews with global business executives, thought leaders and academics in a wide range of industries. They discuss their most pressing issues and the innovative approaches they have employed to transform their challenges into
