In today's world we are bombarded with more information than ever before. Technology has enabled us to connect at real speed, and the world has gotten smaller as things move faster. The media broadcasts negativity and fear, and many have become addicted to drama. The world is hungry for peace like never before, and people are in desperate need of HOPE. Power of Peace Radio brings a message of love and light into dark and dangerous places. We seek solutions, as we strive to "Restore Our Beloved Community." With cutting edge topics and thought leaders from various fields, we will tackle the hott
