

## The Hospitality Industry News Network Archives Available

The Hospitality Industry News Network is the show people turn to for inside information on what is happening throughout the industry. From topics on how to get hired for that position you want, to matching a perfect wine to complement a dish you will learn something new every week and be highly entertained in the process. Featured guests offer their professional insight enabling you to learn from their experience.

You'll learn everything you've always wanted to know about the Hospitality Industry from those who work in it. So whether you are a waiter, bartender, manager, or just eat a
