Therapeutic Approach to Growth Archives Available

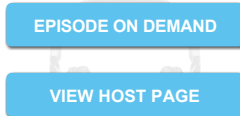

Therapeutic Approach to Growth offers a wide range of topics related to individuals with special needs and others that are struggling to be successful in life. We will share information that encourages growth, an increased understanding of the types of supports available, and to most importantly offer hope. We will have well-respected professionals and savvy parents who share, collaborate and express their viewpoints on what they have learned and experienced first-hand. We focus on building an individual's sense of competence which will help them meet challenges in our dynamic world. Our show
