## Breast Friends Cancer Support Network Wednesday at 9 AM Pacific

Breast Friends helps women and families deal with the emotional upheaval of cancer. Our show focuses on education, inspiration and hope, by offering advice to the patients and survivors, while teaching their friends and family how to provide significant and helpful support to their loved ones.

Our show benefits the patients, as well as their friends and family members in several ways: Patients benefit because they find hope and inspiration in hearing stories of survival not only from the host, but also from our guests. Their friends and family members benefit by learning ways to sup
