Please note that the time of our show has changed to 12 Noon Pacific Time/3 PM Eastern Time

More than 40 percent of people in their 40s and 50s have at least one living parent, and a child under the age of 21 for whom they are providing care and assistance. Most likely there is also a job, a house to run, groceries to buy and meals to get on the table. How can you cope with the massive demand on your time for love, attention, and decision-making skills?

We know it's not easy but Caught Between Generations is here to help. We talk all things multi-generational, and pr
