## Voltcast: Illuminating Leadership Archives Available

Great leaders multiply their vision into results that far exceed the resources they start with. Through interviews and discussions, Jeff Smith explores leadership issues and illuminates action points and perspectives to help teams in any industry. Jeff talks with experts who study these issues and shares some of his own wisdom from years as an executive leader and executive coach.

The show covers issues that are impacting real teams right now. These include mindfulness in leadership, shaping the right corporate culture and other tips and tools for leaders and teams.
