February 05th 2008: **Heads Up and Out of the Sand: It's Time To Protect Your Backyard from Terrorists**

While America's at the mall or listening to news about Britney, terrorists are gaining ground each day. It's not just about attacks in Iraq and the homefront, it's about their quietly demanding appeasement - from the abolishment of piggy banks to the installment of foot-baths and prayer in schools. Just back from America's top terrorism conference, Dr. Carole and her guest, Dr. Paul Williams, author of best-selling books on terrorism, including *The Day of Islam: The Annihilation of America and the Western World*, bring you the latest news.
