

Total Health Recovery: From Addiction to Super Health Archives Available

On the program, Sadhu Khalsa will interview experts in a variety of fields that have a different understanding of what it is to be human and how to heal and transform oneself. They will share with you recent discoveries in quantum physics and the new field of epigenetics that relate to obtaining optimum health. It will be like going from a view that the world is flat to seeing the world as round. A revolutionary change in perception, which leads to embracing a new paradigm, to new treatment options that actually work because they deal with the actual causes and effects of addiction.
