**February 13th 2008: "WATER" with Professor Rustum Roy,
David Sereda, and Melissa Henderson**

Melissa Henderson and Betsy Chasse (co-producer of "What the 'Bleep' Do We Know?!") with their new distribution company, Intention Media are introducing American audiences to WATER, an amazing award-winning new film making its U.S. debut this month. This incredible documentary from Russia reveals breathtaking scientific discoveries by researchers worldwide. Joining us to discuss the cutting edge scientific breakthroughs in the movie is Professor Rustum Roy, who appears in the film, a visiting distinguished professor at Arizona State University and a visiting professor of medicine at University
