Joins Stars of PR

DreamWorks Animator Devin Crane will debut his latest collection of art at the Corey Helford Gallery in Culver City titled, "Love and Tears". Bombarded by the daily reports of America's economic decline, Crane's showcase examines America's obsession with excess in relation to the manifested need for love and interpersonal connection. Inspired by Crane's own personal experiences and pain from a series of relationships, "Love and Tears" captures the essence of fifteen subjects and their endless quest for true love. The opening takes place on January 24th at 7PM.
