**February 03rd 2009:Occupational Therapy for Children with
Autism and Special Needs**

Mom to a son with autism, Jackie Olson combined her career as a filmmaker with her passion for helping special needs children to create an occupational therapy (OT) DVD "OT for Children with Autism, Special Needs and Typical." Jackie also created and produced: "OT in the Home," "OT in the School," and "Yoga for Children with Special Needs." These are packed with ideas for parents along with demonstrations from Britt Collins, MS and the kids. Britt's OT DVD series won an award in 2008 from iParenting, a division of Disney. She has practiced in many settings including sensory integration clini
