March 02nd 2009: Addiction and Mental health: The chicken or the Egg and Who Is in Control of that Brain?

Dr Cesar Benarroche is a graduate of the University of Buenos Aires, Argentina. He did his residency in psychiatry at the University of Rochester, N.Y and subsequently completed a fellowship in Psychiatry at Yale University. Dr. Benarroche was a faculty member at Yale University's Department of Psychiatry for nine years where he was Director of the Transitional Unit at the Yale Psychiatric Institute and Director of one of the outpatient divisions of the Connecticut Mental Health Center. He is a Board Certified psychiatrist with over 30 years of psychopharmacology, psychotherapy, teachin
