

RentalEquip Talk Radio Archives Available

RentalEquip Talk Radio is an independent program, hosted by a veteran of the rental industry and it is for people in the rental industry. We cover a variety of topics to benefit those in the industry while preserving some of the history of the industry. We have guests that use our products such as members of the Associated Builders and Contractors and Associated General Contractors. Conversations with leaders in the industry and subjects relevant to the equipment rental industry from a variety of sources including the American Rental Association. We want everyone in the industry to get some va
