May 25th 2009: Improving Your Personal Finances in a Tough Economic Time – Special Encore Presentation!

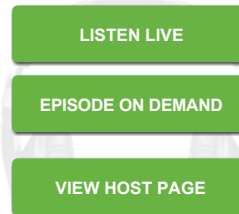

William Andreoli founded Financial Destination Inc (FDI) six years ago and the company has becoming a leading resource for thousands of Americans to improve their personal finances and build a source of large passive income at the same time. In this interview, Bill will describe how he founded FDI, what services it can offer you to help you manage your money better and how it can also become a substantial business opportunity. FDI gives you 24 hour personal concierge and financial services and you can receive a substantial level of income from people who you sign up. To find out more about FD
