The 2020's Enterprise with Sam Holman Wednesday at 12 Noon Pacific

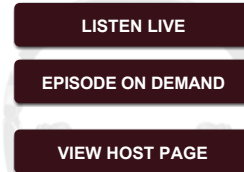

The 2020's Enterprise is about sorting through the internet-driven advice madness that exists in business today. The great thing about the internet is that anyone can write anything about anything. The problem with the internet is that anyone can write anything about anything! Published practices are quite different than "best practices." This program will provide practice-based insights in business transformation, organizational transformation and technology transformation, based on real world practices. Business executives, managers, practitioners, and staff are bombarded daily with utopian
