

Prescription for Success

How to win at health, life and everything else

with
Dr. Emil Haldey

Prescription for Success with Dr. Emil Haldey Archives Available

Our show concentrates on practical advice to people seeking to enhance or reclaim their health. We discuss medications, supplements, and customized approaches to your health. Healing and empowerment start from within. It all begins with our thoughts, emotions and practical positive psychology.

We are all flooded with information. With so many ads on TV, cable news, social media, etc consumers are left to question many conflicting opinions and motivation behind the shared information. Join us so that we can help you make the right decisions to enhance your health and well-being.
