The Money Answers Show Monday at 12 Noon Pacific June 22nd 2009: Identifying Market and Economic Trends Ahead of the Crowd

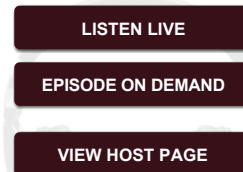

Adam Lass, the co-editor of the Wavestrength Options Weekly investment service, has a knack for identifying trends before most investors know about them. In this interview, he describes his unique Wavestrength system which he uses to see which way markets are going and then how to best invest to take advantage of those trends. He will also discuss some of the trends he is seeing in today's markets, in stocks, commodities and currencies. The WOW system has had a remarkably accurate record of helping its subscribers get in on trends early and profit from them and now you can learn from the same
