**Autism One: A Conversation of Hope Archives Available**  
**June 30th 2009: Enzymes: How They Help in Autism and Other Conditions – Special Encore Presentation!**

Teri and her guest, Tom Bohager, discuss a full range of questions related to digestive and metabolic enzymes, with particular focus on how supplemental enzymes can help mitigate physiological deficits and impairments and aid in healing in autism. Tom, who is the author of the new book entitled Everything You Need to Know About Enzymes, as well as Enzymes: What the Experts Know, is one of the founders and serves as the president of Enzymedica, a nutritional supplement company that specializes in enzymes and enzyme therapy.
