Being a leader is challenging. It can be very challenging, but it shouldn't be a struggle. Most leaders put their heads down and work harder and longer hours to improve results, but what most don't recognize is what they need to do differently. Leading on Purpose is all about helping you to focus on the simple yet powerful practices that will ensure you and your teams achieve even better results with far less struggle.

Nicole Bendaly and her guests, experts in leadership and team performance, will help you discover how to tap into the very best of yourself and those you lead. You will
