July 16th 2009: Nick Good: Living In Natural Magic

Stress is a foundation of human disease. It is the consequence of not living our life purpose. As part of the natural world we are governed by its laws. The amount of disease we see in the world today is a consequence of being out of harmony with those laws. No matter what we do, no matter how powerful we consider the blocks, no matter how strong the resistance, no matter how conditioned and molded we have become, unless we uncover and become the embodiment of our life purpose, our mission, our destiny, we deny ourselves access to the deep abiding peace within that is a natural consequence of
