Business Disrupted Monday at 1 PM Pacific

Anyone can pay attention to financial ratios and textbook principles, but the best way to make use of this data is by giving them context. What are the stories others have created with their business challenges? From starting a new business from scratch to reinventing oneself for their second third act, this show explores how these personal stories translate into the business context. Everybody loves a good fraud story. Everybody loves a good war story. We can delight in the lessons provided by others' experiences, both good and bad, funny and tragic, and even dumb. They all plant the seeds fo
