The Power of Young People to Change the World Thursday at 3 PM Pacific

This show is perfect for youth who want to change the world and for adults who want to foster youth innovation and imagination through real-world education. Youth listeners gain a connection to other young people who are passionate about making the world a better place by addressing issues like climate change, education equity, poverty, mental health, and more. Adult listeners are inspired by stories of youth as change agents and gain practical advice on how to partner with youth and how to incorporate service-learning into their classrooms, afterschool programs or homes.
