

# ANTI-AGING UNRAVELED

What Your Doctor Didn't Tell You...

with Dr. Lori Gerber

## Anti-Aging Unraveled Archives Available

After getting a whole host of new food allergies and autoimmune thyroid disease during pregnancy, Dr. Lori searched for medical answers in the "traditional" medical community. Those answers were not found until finding integrative medicine. Integrative medicine flipped the switch and the light bulb went on brighter than ever. Dr. Lori is the perfect doctor to listen to patient symptoms, address the concerns that people complain of daily that "regular" doctors fail to treat effectively. She is able to unravel the complicated web of the body and it's multi system interactions in what she calls D
