August 06th 2009: Energies of Enlightenment

The essence of love as a way of life seems like common sense but not always a common experience. So often the word is confused as to whether it is a verb or a noun. It is something desired, anticipated, longed for and at times truly discovered. William & marilu understand that discovery and how to support individuals in tapping into it. Lets learn how to do love, be love and have love.
