Moir's Environmental Dialogues
Thursdays at 12 Noon Pacific
August 05th 2009: Right Whales, Right Plankton, Right Ecosystem

Live from Cape Cod, Rob will speak with the Provincetown Center for Coastal Studies including Richard Delaney, Dr. Stormy Mayo and Tanya about what is being done and what you can do to save whales and to better the ocean environment that whales depend on. Ocean Champions will update on a bipartisan bill on Capital Hill for research and mediation of harmful algal blooms that includes red tide.
